

ANNUAL REPORT OF THE SCHOOL

Annual Report of Devmata Higher Secondary School for the Academic year 2025-26. The year has been marked by meaningful learning, innovation and achievement guided by our Motto “Lighted for Life”. We have continued to nurture young minds towards excellence in Academics, Co-curricular activities and values.

This Academic year has been a remarkable one in terms of scholastic achievements. Once again, our students of classes X and XII secured 99% pass percentage in CBSE board examinations. We take pride in congratulating our School toppers of the Board examination.

In class X Miss Tanushka Pal stood as a topper with 93%, Aakshat Vivek Pathak topped class XII with 94.4%. Their outstanding performance is a testimony to their hard work, parental support and the dedicated guidance of our teachers.

Education at Devmata Higher Secondary School extends beyond textbooks nurturing their creativity and confidence. As a part of our commitment to holistic education, the school organized a wide range of co-curricular activities throughout the year and students participated enthusiastically. To promote teamwork, responsibility and leadership among students the school adopted House system.

To instill democratic values and citizenship awareness, school elections were conducted exactly in the manner of the general elections with computers, giving students a real time experience of the electoral process. Master Kavy Sharma of class - XII and Miss Sharlin Shrotriya of class XI were elected as Captain and Vice Captain of the school respectively. House captains and class prefects were also elected in the similar way. A March Past was conducted on 15th of August, enabling students to understand disciplinary procedures and the importance of active civic participation.

Environmental initiatives such as tree plantation drive, and cleanliness campaigns like Swatch Bharat on every month fostered a sense of responsibility among students. We have conducted offline SAFAL exams successfully organized by CBSE. Also, Olympiad exams for the classes I to XII.

Experiential learning has always been an integral part of our school’s curriculum. During the academic year 2025-26, students enthusiastically participated in various educational field trips organized by the school.

Classes X - XII visited Jaipur - Rajasthan on 12 - 15/10/2025.

Classes VIII & IX visited Pachmarhi – Madhya Pradesh on 18/11/2025.

Classes V, VI, VII Visited Bhopal – Madhya Pradesh (Places – Van Vihar, Regional Science Centre, Museum, People’s World Mall) on 06/12/2025.

These visits not only enriched their classroom learning but also provided real-world exposure.

Our club activities continued to thrive throughout the year, offering students opportunities to explore their interests and develop essential life skills.

The Eco-Club, organized by the Science teachers along with Class IX & XI students, undertook several initiatives to promote environmental awareness. These included plantation drives, a waste-segregation campaign, cleanliness activities, and hand-wash demonstrations. As part of the school's commitment to reducing plastic pollution, the use of plastic water bottles was strongly discouraged.

The Literary Club, comprising Class IX - XII students, was guided by the Language teachers, who nurtured creativity and expression through debates, elocution, essay writing, and reading sessions. These activities greatly enhanced the students' linguistic and communication skills. The club also celebrated Hindi Diwas with enthusiasm.

The Heritage Club, comprising Class VI - VIII students and guided by the Social Science teachers, instilled pride in India's rich culture, monuments, landforms, and glorious past. The club organized activities such as quizzes, essay-writing, and poster-painting competitions to deepen students' understanding of India's heritage.

The Wellness Club focused on promoting physical and emotional well-being, gender equality, and healthy lifestyle habits. It organized yoga sessions, fitness challenges, and mental health awareness programmes to help students develop holistic wellness.

Through these enriching experiences, students not only gained knowledge but also imbibed values of teamwork, responsibility and self-discipline.

In addition, our school observes Fun days for Foundation stage, Brain break days for Preparatory stage and IEd (Implementive education program) days for High school students on designated Saturdays. On these days, students engaged in creative skill-based activities.

The school strongly believes that a sound mind resides in a healthy body. Our students participated in several competitions and won prizes.

This year our teachers attended several professional development workshops both online and offline to enhance teaching methodologies and classroom effectiveness. Our school hosted two capacity building programs organized by CBSE titled Value Education and Life Skill (Basic) on 15th and 16th of November respectively. Our teachers continually strive to integrate innovation and technology into learning.

The school continues to upgrade its facilities to meet the evolving educational needs. This year 10 digital boards were installed, in Primary, Secondary and Senior

Secondary Classes, enhancing classroom teaching with interactive and engaging digital content. Smart class rooms, well-equipped science and computer labs and a resourceful library provide a conducive learning environment at School.

The school gives utmost priority to the health and safety of its students. We have also hosted an awareness program on traffic rules and road safety for students conducted by the Bhairunda Police-station, RTO office.

Regular PTMs are conducted after the periodic tests to ensure effective communication between parents and teachers. 08 PTMs are planned per one Academic year and are successfully conducted. Parent orientation program was conducted for the parents at the beginning of the Academic year to educate the parents about the latest changes in the policies of CBSE. Parents actively participated and Feedback from the parents was incorporated into the school improvement plan.

As we look ahead Devmata Higher Secondary School remains dedicated to nurturing confident, compassionate and responsible citizens. I express heartfelt gratitude to our management for their timely guidance. I thank our Parents, Staff and students for their unwavering support and cooperation. I thank almighty for enabling us to do our duties efficiently.

Sr. Rosmy
